

James Dean "A"

Chorus

A x 4 D x 2 A x 2 E x 4 A x 2

James Dean, James Dean
I know just what you mean
James Dean, you said it all so clean
And I know my life would look allright
If I could see it on the silver screen

Verse

A x 4 D x 2 A x 2 E x 3 A x 2

You were the lowdown rebel if there ever was
Even if you had no cause
James Dean, you said it all so clean
And I know my life would look all right
If I could see it on the silver screen

Bridge

D x 2 A x 2 D x 2 B E

We'll talk about a low-down bad refrigerator,
You were just too cool for school
Sock hop, soda pop, basketball and auto shop,
The only thing that got you off was breakin' all the rules

Chorus

A x 4 D x 2 A x 2

James Dean, James Dean, you bought it sight unseen (re)

E x 2 A x 2 E x 2 D x 2 A x 2

You were too fast to live, too young to die, bye-bye
You were too fast to live, too young to die, bye-bye
